DECEMBER 2008

CHARTERED 1956 - 52 YEARS OF SERVICE TO COUNTRY

EDITOR: JIM CULLISON

President's Perspective by Terry Tassin

As you read this, Thanksgiving is over and Christmas is yet to come. I hope you all had a peaceful day with your friends and family, sharing a meal together and giving thanks for your many blessings.

This time of year can certainly be a little hectic as we plan for and enjoy many holiday activities. So, while you are thinking about it, turn to Page 7 in *The Sentinel*, extract the reservation form and get your reservation sent in for the December 20 meeting.

This, of course, will be our annual Chapter Christmas Party. This year our program will feature Don Ford doing what he does best -- providing his wonderful music for our holiday enjoyment. In addition to fine music and good food, we will enjoy a very interesting fundraising activity that last year we called a "Chinese Auction." Members of the board will provide numerous gifts for your

amusement and enjoyment. You really need to come and take part in this event to believe it.

*** Meritorious Service Awards:** Our normal presentation of the annual Meritorious Service Awards was postponed until our December meeting. Many thanks to Ron Drew and his Nomination Committee for a job well done. Their efforts will result in the presentation of Chapter Meritorious Service Awards to Pat and Patricia Dale, Gary and Marie Fredricks, Bill Johnson (posthumous), Ron Perkins, Chuck Schluter, and Terry and Frances Tassin.

*** Picnic in the Park:** Our November luncheon was held at Desert Breeze Park in Chandler. Forty plus people gathered for a barbecue catered by Famous Dave's. We had lots of food, good conversation, and even played a few games on the grass. It was a grand change of pace.

*** Election of Officers:** At our November meeting we held our annual election of officers. The following slate of officers will be installed during our January meeting:
President: Ron Perkins.
1st Vice President: Ron Worthington.
2nd Vice President & Treasurer: Bill Roscher
Secretary: **VACANT**
Immediate Past President: Terry Tassin
Directors: John Ady, Ron Drew, Ron Green, Gregg Maxon and Rob Welch.

Vacancy. Perhaps you noticed the **VACANT** sign for the office of Secretary. We really do need someone to step up and take this job. It is well above and beyond the call of duty for the President to fill both of these positions. Any Regular or Auxiliary member or spouse is eligible to hold the office. Responsibilities include keeping meeting minutes, maintaining the Chapter Roster and helping with general correspondence. If you have an aptitude

* **A Time for Sharing:** During these difficult economic times it is important to remember those who are less fortunate. If you are looking for a "sharing" idea, here are a few:

St. Mary's / Westside Food Bank Alliance: This year our community food banks have been experiencing a greater demand for services. Food or monetary donations are accepted.

Arizona National Guard Emergency Relief Fund (AERF). The AERF program was set up by the Arizona National Guard to provide emergency assistance to families of Guard and Reserve members called to active duty. Consider a contribution to this fund. A tax deductible gift can be sent to: AER Fund, 5636 E. McDowell Rd., P.O. Box 300, Phoenix, AZ 85008. Christmas distribution will begin on December 15, so send your contribution by December 12.

Toys for Tots. This is an annual program sponsored by the U. S. Marine Corps Reserve. All toys must be new, unwrapped and still in original boxes. There are many drop locations around the Valley. However, my favorite is the Arizona Broadway Theatre in Peoria because I can combine attending a great stage performance and dinner with dropping off donations for Toys for Tots. One of the hardest age groups to get toys for is the 9 to 12-year group. If you want to bring a new, unwrapped toy to our December luncheon, I will personally deliver it to the Arizona Broadway Theatre.

* **Renewal of Chapter Membership:** Finally, thanks to those of you who have already renewed your Chapter membership for 2009. As a reminder, the Chapter dues will be the same for 2009 as they were for 2008 (\$20 regular and \$10 Auxiliary). Renewals are due on January 1 and are vital in maintaining a viable Chapter and in supporting this newsletter. We sincerely hope that our efforts have earned the support of the rest who have not yet done so. You will find a renewal form on Page 6 in this newsletter.

Fran and I wish you a very merry holiday season and hope to see you all at the December meeting.

Personal Affairs

by Dan Conway, Personal Affairs Officer

We all know that our survivor will need a certified death certificate for all sorts of business including Social Security and Veteran's survivor benefits, bank account access, payment of life insurance policies, etc. It is recommended to order up to 20 copies to meet typical needs.

What I didn't know is that it usually takes 4 to 7 weeks to obtain the required certificates. The certificate is prepared by the funeral home, signed by the doctor, and forwarded to the County Office of Vital Records for recording. No copies are available until the recording is complete.

This means that your surviving spouse has to be prepared for this 4-7 week delay. The first step is to have a joint checking account or savings account with sufficient funds to pay for a funeral and living expenses for two months. Another recommendation is for each of you to have a separate survival account which would

be available to meet those needs. I learned that even joint accounts can sometimes be a problem if the bank learns that one of the parties has died. One way to prevent this is to not notify the bank until you have the death certificate and you remove the deceased party from the account. Then it is advisable to add one of your children to the account to be prepared for the next death.

I wish I had a more joyful message for this time of year. I have to hope that those who heed this message will save their survivors grief and hardship following unplanned events over which we have no control, but which we know will occur for each of us.

**Give me 10!**

The latest report shows we have recruited 11 new National members during 2008, which means we receive \$10 for each new member and a \$100 bonus. Special thanks to those who converted to life memberships, which count as new National members.

## November Board and Member Meeting Summaries

Treasurer's Report: checking: \$7,681.86, scholarship: \$9,742.30, total: \$17,424.16. Bill Roscher was appointed treasurer due to the recent passing of Bill Johnson. A resolution was passed giving the secretary access to bank accounts as a backup to the treasurer. The treasurer was authorized to maintain a \$100 petty cash account to make change at monthly luncheons.

## Legislative Update

by Gary Fredricks, Legislative Chair

In November I had the pleasure of joining the MOAA Board of Directors for a six-year term at a meeting in Arlington, Virginia. The MOAA staff did a magnificent job of packaging a great amount of material into a very concise and intense meeting. In addition to the normal committee and board meetings, the event included the annual membership meeting, the Chairman's Dinner with keynote speaker Sen. Jim Webb, a "Military Professional's Symposium" featuring remarks by Joint Chiefs Vice Chairman Gen. James E. Cartwright and a panel that included four three-stars, and a MOAA spouse panel titled "Mentoring Tomorrow's Military Spouse."

I couldn't begin to capture the essence of all the meetings in this short article, but I would like to offer some highlights. This marked the final event in Chuck Schluter's six-year term as director. As the meetings proceeded it was obvious just how much Chuck has contributed over his term and how well thought of he is both by the board and the MOAA staff. I can only add my thank you to Chuck for his outstanding service to MOAA.

I was equally impressed by the professionalism and enthusiasm exhibited by the board members and the whole MOAA staff. We are fortunate to have the MOAA staff working our front lines in the Washington arena. We have a sound and well-documented strategy in place both for the short term and the longer one with a well thought out set of goals and action plans for 2009. In these uncertain times all companies and organizations are experiencing significant financial strains, and MOAA is not immune to these pressures. A few budget reductions are in place for the coming year, but they should not significantly impact our programs. Thanks to the foresight of their predecessors and the insight of the current board and staff, I can report that MOAA is in very sound financial shape.

Having said that, no one is claiming that things will be easy. Gaining and retaining membership will be key to MOAA's ability to produce results and sustain momentum. The common theme presented by our military professionals is that for the foreseeable future the U.S. will experience a

period of "persistent conflict" that will tax our military's ability to sustain operations. At the same time, bailing out our economy will be a priority while history says that with the Iraqi conflict winding down, there will be extreme pressures on the defense budget to reap the benefits of some undefined "peace dividend." The military consensus was that whatever that budget turns out to be, it will need to be stretched and balanced among weapon system, operational and personnel costs.

The MOAA mission, of course, will continue to be focused on the last of these three elements. The clear message from MOAA is that strong grassroots support is absolutely essential if we are to maintain what we have gained and continue to make progress on our goals. A large part of that support is continuing to send emails, write letters and make calls to Congress as we have done in the past. We represent a sizeable constituency, and we need to continue to make our voices heard.

**AZ Chapter MOAA Membership Renewal Notice**

Thank you for your AZ Chapter support during 2008. Your support for our chapter has helped provide the basis for our scholarship program for outstanding valley area JROTC students; for our efforts to represent you on state and local legislative issues; for our actions, including our award winning *Sentinel*, to keep you involved and informed on these and broader issues affecting our military and retired community, and for our schedule of activities promoting camaraderie and friendship.

For most members, this serves as your notice that AZ Chapter dues for 2009 are due on January 1, 2009, and are delinquent 60 days thereafter. Here's how you can tell if you owe dues. Look on the mailing label if you received your Sentinel by USPS. After your last name is a number – if it is **08**, your dues are due for 2009. A higher number indicates you have paid your dues in advance. Members that only receive the *Sentinel* by email have received an electronic notification. If you disagree, please let us know.

**ATTENTION AUXILIARY MEMBERS**

A reminder to all auxiliary members that it is time to renew your annual dues of \$10. It is very important that you continue your membership in order to stay abreast of legislative issues that affect all of us.

Auxiliary members continue to enjoy benefits, such as Tricare for Life and the phasing out of the Survivors Benefit Plan age-62 annuity reduction. We are grateful to all who made that possible.
