DECEMBER 2005 CHARTERED IN 1956 - OVER 49 YEARS OF SERVICE TO COUNTRY EDITOR: John Gerometta

## President's Message

It has been a good year. We have plenty of accomplishments for our 2005 award submission.

Not necessarily in order, we have to thank John Gerometta for serving as Secretary and taking over the Sentinel. We have to thank Gary Fredricks for his service at the state level and for keeping us involved and informed in the legislative area. We have to thank Jim Seidl for the interesting programs through the year. We have to thank Bill Johnson for keeping the books and doing the 50-50 at our meetings. We have to thank Tom Houser for keeping us on the web. We have to thank Terry Tassin for his doing the Sentinel and now stepping up to do the MOAA Medal program. We have to thank Frank Birtciel for keeping our history up to date. We have to thank Chet Baumer for our 50<sup>th</sup> anniversary planning. We have to thank Bernie Conway for keeping us aware of the need for keeping our affairs in order and on paper. We have to thank Chuck Schluter for his

service at the national level and for keeping us up to date on doings in Washington. We have to thank all of you for coming to our meetings and participating in our programs.

With all of this support, I'm pleased and humbled that you have chosen me to be your president for another year. We will look at our 2006 plans in January, but for now, it is time to take a break and enjoy the holidays. The best way to do this is to plan on attending our December luncheon. I'm sure that the singing group will get you into the holiday spirit. We will have a mini silent auction with a Sunday brunch, a football, various tickets, etc. available. It should be a fun meeting.

Thanks again for making this a great year.

Sincerely— *Daniel M. Conway*

## Membership

*Daniel M. Conway*

We have participated in the national "Give Me Ten" membership campaign with some level of success so far. Our first 50 letters have resulted in five new national members and three new chapter members. We have

sent out an additional 200 letters and hope for similar results. We will receive \$10.00 for each new national member and a bonus of \$100.00 if we meet or exceed ten new national members. We are half way there and hope that we can meet the ten goal.

The campaign provides for two years of national membership for \$24.00; a savings of \$24.00. If you have any friends who are not now national members and qualify for national membership, please send their Name and Address to Dan Conway, and he will get an application form out to them. This campaign ends December 31<sup>st</sup>.

## MOAA'S Legislative Alert, 11/23/05

Last week the House passed the Veterans' Compensation Cost-of-Living Adjustment Act of 2005 (S. 1234), which authorizes a 4.1% cost-of-living increase for those who collect disability and survivors' benefits from the Department of Veterans Affairs. The bill is now on its way to the White House for signature. Unlike military retired pay and survivor annuities, Congress must authorize annual VA COLA increases each year. The increase will take effect Dec. 1, 2005 and will be reflected in the Jan. 2, 2006 checks.

**Legislative Update**

*by Gary Fredricks*

By Executive Order 2005-15, Governor Napolitano established the Arizona Veterans Task Force in June 2005. The Task Force consists of 11 appointed members and is chaired by the Director of the Arizona Department of Veteran Services, Mr. Pat Chorpensing. The order recognized that approximately 565,000 Arizona veterans not only dedicated their lives to service but also contribute an estimated \$5 billion annually to the Arizona economy. The Governor charged the task force to evaluate existing state services and benefits provided to veterans in Arizona, compare those services with those of other states and develop a plan to educate Arizona state and local leaders about issues important to Arizona veterans. The Task Force was required to issue recommendations and a final report to the Governor, Senate President, and Speaker of the House by the first week of January 2006.

Task Force meetings open to the public were scheduled for September 9, October 5, November 2, November 30 and December 15 in the Executive Tower, 2<sup>nd</sup> floor conference room, 1700 West Washington, Phoenix, AZ. The format for the first three meetings provided for formal briefings and public comments (based on time constraints).

The September meeting included presentations on defining the veteran, veterans in our society/

population trend, economic impact and education. The October meeting included presentations on the veteran homes in Phoenix and Tucson (proposed), VA Medical Center – Tucson, Veterans Benefit Counselors (VBC) and the need to increase their numbers, and an overview of state veteran cemeteries. The November 3 meeting included briefings on the Arizona National Guard and Reserves, a discussion of veteran's services shortfalls with respect to our Native American population, and a state veterans benefits comparison.

The November 30 meeting is scheduled to review issues and actions to date and to prioritize recommendations. It is anticipated that the Governor will be invited to the December meeting to review draft recommendations intended to set in motion implementation and change. The Executive Order, Task Force Plan and a record of presentations and meeting minutes may be found at

The MOAA Arizona Council of Chapters Vice President, Bob Delker, and I (Council President – Gary Fredricks) both attended the November 3 meeting of the Task Force. The presentations were informative and members of the Task Force appeared interested and eager to understand the issues. The Chairman, Mr. Chorpenning was extremely well informed and ran an organized and professional meeting. The presentation by MG Maxon, AZ Army National Guard, focused on the increased use of Guard/Reserve forces in missions formerly performed exclusively by active duty forces and the attendant institutional problems the Guard/Reserve has with re-assimilating troops returning from extended deployment in combat. The need for more and a better distribution of VBCs across the state was a specific need.

The Arizona Native American population suffers from similar problems with ready access to VBCs non-existent and access to veteran's facilities, in particular medical clinics, much more difficult than for other Arizona veterans. Cultural differences also cause difficulties in accessing earned veteran's benefits. Due to the unique issues identified, the Chairman indicated that he would pull together a specific task force on Native American veterans' issues within the AZ DVS.

The comparison of Arizona veteran's benefits with those of other states confirmed the need for a Task Force such as the current one.

## Arizona Veteran's Hall of Fame

The Arizona MOAA Council of Chapters is pleased to share with you that on 28 Oct 2005, 8 MOAA members representing 5 separate Chapters were among the 17 veterans inducted into the Arizona Military Hall of Fame this year.

In 2001 Arizona became the second State to create a Hall of Fame specifically to recognize veterans' contributions to society above and beyond their military service. Typically, those inducted have volunteered countless hours to local communities and youth programs. They have brought home Leadership, Professionalism and a code of ethics and values representative of the military legacy.

The inaugural induction ceremony of the Arizona Veterans Hall of Fame was conducted in 2001 and included 26 Medal of Honor recipients and 24 other distinguished Arizona veterans. With the induction of the class of 2005, membership now totals only 125 members.

From the very beginning, Arizona Chapters embraced the opportunity to sustain the Arizona Hall of Fame and each year has nominated several MOAA members for consideration. In 2002 the Arizona Council of Chapters donated the ceremonial service flags representative of each branch of the Military, and recently, the leadership of the Unified Arizona Veterans (UAV), a coalition of veterans associations, has again acknowledged its appreciation for continued Arizona MOAA participation.

This year, the induction ceremony was attended by over 600 persons who included local dignitaries, veteran's organizations, families and friends. The Arizona MOAA Chapters were prominently visible and enjoyed the opportunity to recognize the contributions of, and to honor our most recent inductees. The MOAA members inducted this year included Col Duane Brofer; LTC Lowell Fox; Maj Michael Gannon; MG Gerd Grombacher; LT James Lay; Col Dick Minor; Col Albert Rodriguez and Maj John Tapia. These men served in WWII, Korea and Vietnam, and importantly after their military service, they continued to serve their communities, our service members, other veterans, and the citizens of our grateful nation.

By their personal participation and leadership, these MOAA members have continued to serve. They have brought special credit to themselves and have enhanced the tremendous legacy and distinct honor of military membership and service to all.

**Attention All Members:**

Our group has always been very generous in funding our scholarship program and that is commendable.

Now we have a great need to fund our 50th Anniversary celebration on 21 October 2006 and we only have about \$2,000.00 available in that fund and our current need is around \$5,000.00 to cover miscellaneous expenses.

How about a \$50.00 donation from each member for the 50th Anniversary celebration? I've done it and that's only \$1.00 for each prior year. Let's have an unforgettable affair!
