APRIL 2006 CHARTERED IN 1956 - OVER 49 YEARS OF SERVICE TO COUNTRY EDITOR: John Gerometta

## President's Message

We have several activities to report on.

First, Ron Worthington has sent letters out to the JROTC instructors asking for recommendations for Scholarships. Also, he has been able to solicit a \$2,000 contribution from a local business. That means we should be able to award four scholarships again this year, with two being co-sponsored by the Chapter and the donor. We could use more such contributions, and each of you are urged to talk to possible donors with the understanding that a \$1,000 donation will allow the donor to be a guest at the Scholarship Award Luncheon and to be a part of the ceremony.

Next, Terry Tassin has the JROTC Medal program scheduled with presenters and medals for all schools within our area. If you haven't participated in this program, it is recommended that you ride along with a presenter and see what it is all about. Just call one of the listed presenters and make arrangements to attend. A note to presenters - please

write down your date and make sure that you attend.

Adding to the professional appearance of our Chapter, we have purchased a new supply of MOAA letterhead stationery. You are urged to use this stationery in all of your correspondence. Please call me and I will make sure that I get a supply to you.

Membership continues to be a priority of National and the Chapter. In the last "Give Me 10" program, we signed up seven new members and have received a \$70.00 check from National for our accomplishments. National is going to run the program again and I will be proposing that we participate again. At the Chapter level, we are printing a new brochure which should be available next week. This will increase the professional appearance of our recruiting effort which we hope will yield results. Dee Norton and Rosanne Trujillo have committed to the task of sending out over 1,000 solicitation letters to National members in our area. We owe our support and encouragement for this task.

50<sup>th</sup> anniversary planning continues with letters being

sent out of local firms who serve the Military in some manner or have shown support for the Military in other ways. We will keep you up to date on this effort.

Now an appeal for help. Terry Tassin is unable to participate in this year's Memorial Day event at the National cemetery on Monday, May 29<sup>th</sup>. If you are available and could participate as a member of the Chapter color guard, you will find it to be a very rewarding experience. Please get back to me so that we can have a full color guard at this event.

Also, we still don't have a volunteer to take over arrangements from Jim Seidl. Possibly two of you could take over this responsibility; one to schedule programs and the other to make lunch arrangements. Please consider either or both of these tasks.

*Daniel M. Conway*

**Golf Tournament**

*By Pat Dale*

The AZ. Chapter MOAA spring golf tournament will be May 5th at El Caro golf course, Glendale, located at 22nd Ave. and Northern. Tournament fees will be \$42 per player and will include prizes, green fees, cart and other "freebies". A "Skin" game and 50-50 drawings will be conducted as well. All proceeds above costs will go to the MOAA Scholarship fund. Also included is a great hot breakfast buffet immediately following golf. The format will be 3 flights with three or four winners per flight. There is a 7AM "shotgun" start with check in from 6 AM to 6:40 AM. There will be prizes for EVERY hole for longest putt or closest to the pin awards. Participants can request to play with specific people in their foursome and are welcome to bring guests. Anyone who has contact with organizations willing to donate prizes is encouraged to do so. The Entry form is located on page 6 of this newsletter

**April Luncheon Meeting  
Saturday, 15 April  
McCormick Ranch Golf Club**

The next Chapter meeting is set for Saturday, 15 April at McCormick Ranch Golf Club. Bring a friend to our meeting and introduce them to a great group of people. The meeting will start with a social hour at 11:00 a.m. with lunch served at 12:00 Noon. The reservation form is located on page 7 of this newsletter. The deadline for reservations to reach Bill Johnson is 11 April. Come join us for good food and comradeship.

**Legislative Update**

*by Gary Fredricks*

The legislative scene in Washington is extremely busy this time of year with numerous committee meetings trying to come to grips with next years expenditure needs and budget constraints. VADM Ryan and other MOAA staff members have been equally active testifying before the committees and meeting with individual Congressmen and staffers. The MOAA Council President's Seminar and Storming the Hill that Chuck Schluter and I will be attending the last week in March is just one part of our coordinated efforts.

Efforts so far seem to be having a positive effect. The steep increases in TRICARE for pre-65 year old retirees and pharmacy co-pays for all that have been proposed by DOD in the FY07 President's Budget seem to be getting little sympathy in Congress and surprisingly interesting coverage in the eastern press. One of the positive initiatives coming out of this is a bill (H.R.4949) entitled "Military Retirees Health Care Protection Act", being proposed by Reps Chet Edwards (D-TX) and Walter Jones (R-NC) with 46 other cosponsors. This bill, with its rather ominous title, would inhibit DOD's ability to reduce our benefits without the approval of Congress. You can lend your support to this bill by going to the MOAA Website, [www.moaa.org](http://www.moaa.org), looking in the legislative section and sending the pre-written e-mail to your local Congressmen. It's easy, and in this election year sure to be effective.

**Fund Donations**

One person's generous gift will help strengthen America's future through supporting the education of our youth. Since the last newsletter the members below have made generous donations to the:

General Fund:

50th Anniversary Fund:

**Mike Gannon \$6, Bob Lamparter \$50, Bill Roscher \$16, Charles Retz \$75, Ed Waldmann \$50**

Scholarship Fund:

**Ron & Bette Green \$500, Theron "Jack" Taylor, \$35, Ed Waldmann \$25**

An email from the Air Force Personnel Center recently shed a little more light on the Defense Advisory Committee on Military Compensation. As I have previously reported, this yearlong effort is coming to an end. The committee just released details of its recommendations that will be incorporated into a formal report to Secretary Rumsfeld in late April. These recommendations will then flow to the 10<sup>th</sup> Quadrennial Review of Military Compensation. Currently retired and currently serving members of the Armed Services would be "grandfathered" into the existing system, but the recommendations, if adopted, appear to be pretty profound. They would re-vamp the retirement system so that service members receive more pay throughout their careers rather than at their completion and basing pay on performance rather than longevity. In terms of retirement, the committee recommends:

Vesting members at 10 rather

- Paying graduated retirement plans ranging from 25 percent at 10 years to 100 percent at 40 years
- Establishing a thrift Savings Plan with government contributions of 5 to 10 percent
- Delaying payment of the retirement annuity until age 60

If you haven't already done so, please tear off the pre-printed post cards from the current issue of the MOAA magazine, sign them and mail them in to your Congressmen. Whereas we seem to be making some headway in heading off the proposed fee increases discussed above, we will eventually need every bit of help we can get to be successful in what is going to be another painful budget year.

**MOAA'S Legislative Alert,  
3/24/06**

Military MOAA has published a new 6-page brochure titled "Premiums Already Paid - In Full" that we'll be taking to Congress next week. It's subtitled, "Why the administration's plan to tax military retirees for health care is unfair and unwise - and what the better options are."

With our national Board of Directors meeting next week and more than 50 state Council and Chapter leaders coming to town for their annual meeting, we'll have a cast of more than 130 MOAA leaders visiting nearly every U.S. Representative's and Senator's office to discuss the fee hike issue as well as the continuing need for TRICARE and Survivor Benefit Plan fixes, among other key goals. In addition, MOAA President VADM Norb Ryan, Jr. (USN-Ret) will testify at a March 29 TRICARE hearing before the House Armed Services Military Personnel Subcommittee.

The brochure lays out what the Department of Defense has proposed, the specific reasons why MOAA doesn't support the proposed fee increases, more than a dozen alternative ways to hold down military health costs without hurting beneficiaries, and the need for restrictions in the law that now gives the Secretary of Defense virtually unlimited authority to impose certain TRICARE fee increases.

The brochure will be printed as a pull-out insert in the May issue of Military Officer Magazine. In the meantime, you can check it out on MOAA's Website at <http://www.moaa.org/lac/TRICAREFeeHike>. A similar brochure on needed SBP fixes is at <http://www.moaa.org/lac/UndueSacrifice>. On March 23, MOAA hosted Mr.

John Kokulis, Deputy Assistant Secretary of Defense (Health Budgets and Financial Policy), and Ms. Marianne Coates, Communications Director for OASD (Health Affairs), for a discussion on the fee increase issue and possible alternative options. It was a very cordial meeting that helped clarify understanding of each is the need to find positive ways to promote the mail-order pharmacy program, which saves money for both beneficiaries and the government.

Mr. Kokulis took away a list of specific MOAA questions about the proposal and the data used to develop it, and agreed to set up a follow-on meeting to address the answers. We appreciate his willingness to continue this productive dialogue. While MOAA disagrees with certain Defense Department positions, we believe DoD Health Affairs officials are making sincere efforts to find balanced solutions to the budget constraints imposed upon them, and continuing these candid exchanges of views can only help in the process of finding fair resolutions.

**DID YOU KNOW?**

1. In the 1400's a law was set forth that a man was not allowed to beat his wife with a stick no thicker than his thumb. Hence we have "the rule of thumb".
2. Many years ago in Scotland, a new game was invented. It was ruled "Gentlemen Only...Ladies Forbidden"...and thus the word GOLF entered into the English language.
3. The first couple to be shown in bed together on prime time TV were Fred and Wilma Flintstone.

### Generic or brand name drugs -- What's in a name?

By Mark Jecker

TriWest Healthcare Alliance

Parents want the best medicine for their children, but there's confusion when it comes to the differences between brand name and generic drugs, and the false perception is that generic brand aren't as good.

The U. S. Food and Drug Administration requires that generic drugs have the same chemical composition and potency and affect the body in the same way as their brand-name counterparts. Only the inactive ingredients that determine the drug's shape, color and size are allowed to differ from those of the brand-name version.

According to the U. S. Food and Drug Administration's Office of Generic Drugs, approximately 42 percent of brand-name drugs currently have generic equivalents. Because those generics can cost from 40 to 60 percent less than the brand-name drugs, the savings is passed along to the beneficiary as a lower co-payments and to the U.S. taxpayer in the lower purchase price for the generics.

Every shopper wants to get the most value for his or her money, and the Department of Defense (DOD) policy requiring generic drugs for filling TRICARE prescriptions saves TRICARE beneficiaries money, both as consumers and taxpayers.

TRICARE's three-tiered drug policy requires that generic equivalents (Tier One) be automatically substituted for brand-name medications

(Tier Two). Exceptions to this policy are made only if no generic equivalent is available or if the prescribing physician documents a medical necessity for the brand-name medication.

When the prescription is filled at a TRICARE network pharmacy, the co-payment for up to a 30-day supply of a generic drug is only \$3. For a medically necessary brand-name drug, the co-payment is \$9 for up to a 30-day supply.

If prescriptions are refilled through the TRICARE Mail Order Pharmacy (TMOP), the same \$3 and \$9 co payments can be paid for up to a 90-day supply of generic or medically necessary brand-name medications.

As always, TRICARE beneficiaries may fill their prescriptions at a military treatment facility pharmacy at no charge if the requested medications are available.

If a beneficiary insists on having a prescription filled with a brand-name drug that is not considered medically necessary, and a generic counterpart for that drug is available, he or she will be responsible for paying the entire cost of the prescription out of pocket.

In 2004 the TRICARE Management Activity established a Uniform Formulary rule which created a new third-tier co-pay of \$22 per prescription—in both mail order and retail pharmacy services—for medications that are not included in the TRICARE Formulary. A recommendation to remove a drug from the formulary is based on the drug's relative clinical and cost effectiveness compared with other drugs in the same therapeutic class. However, if medical necessity is established for a non-formulary drug, patients may qualify for the \$9 co-payment for up to a 30-day supply at a TRICARE network pharmacy or a 90-day supply in the TMOP program. Note that **MTFs are prohibited, under the Code of Federal Regulations, from carrying non formulary medications.**

### Web-based Pharmacy Search Tool

TRICARE'S new pharmacy Formulary Search Tool (FST) allows beneficiaries to find medication specific information using either a drug name or a medical condition. The FST also shows drug availability through the Tricare Mail Order or Retail Pharmacy programs, and lists medications that are on the Basic Core Formulary. It includes co-payment information for prescription drugs, including injectable medications. It also displays generic equivalents for brand-name medications, and quantity limits or prior authorization requirements. In addition, visitors to the site can view and print prior authorization criteria and forms. Furthermore, they can learn about FDA approved drug uses, side effects and potential interactions with other medications. For more information on the Tricare Pharmacy Program, visit the Tricare Pharmacy home page at [www.tricare.osd.mil/pharmacy](http://www.tricare.osd.mil/pharmacy). The search tool is accessible directly at [www.tricareformularysearch.org](http://www.tricareformularysearch.org).
