Songs and Sounds of the War Years

Bill Quehrn, Docent

Airbase Arizona Flying Museum

Our November meeting will be a rare one-of-a-kind musical presentation!

Popular music of the '40's gave comfort and strength to our troops fighting overseas and to the workers who won the "manufacturing victory" at home. You'll be treated to selected segments of '40's hits that tell their dramatic stories in song. From 'Rosie the Riveter' to President Roosevelt, this program tells an amazing story in a most entertaining way. Get your singing voices ready.

Bill Spent 30 years in the job he loved as a radio broadcaster. After he retired, he was quickly rehired as the executive officer of a home builders association. Two careers were enough and Bill and his wife Mary were drawn to visit Mesa by Bill's parents who had a winter home here. That was over 20 years ago and now the couple owns a winter home of their own in the valley.

Bill is one of over 300 volunteers that make the Airbase Arizona Flying Museum at Falcon Field one of the largest wings of the national Commemorative Air Force.

AND

We are inviting the actual "Rosie's" and their "Rosebud" daughters to attend! They will be sure to bring an added dimension to our meeting!

Please be sure to attend!!

November 20, 2021

McCormick Ranch Golf Club

Luncheon \$30 – Please RSVP **by November 16th** with check to Charlie Bitner 134 E. Northview Ave. Phoenix 85020 **or** by email: Charles@bitner36.com
