OVERVIEW OF AIRBASE ARIZONA AND COMMEMORATIVE AIR FORCE MUSEUM Falcon Field, Mesa, AZ

Colonel Anthony Pistilli

Museum Docent

Born in Staten Island, NY Tony entered the Airline industry in 1973 as an Aerospace Engineer with Pratt & Whitney, after receiving a Bachelor's Degree in Aerospace Engineering and Applied Mechanics and a Master's Degree in Business Administration while at Pratt & Whitney.

Tony worked in several areas at Pratt & Whitney over 15 years such as Experimental Engineering, Marketing and Sales Administration, Regional Customer Support and Sales Manager. He was Customer Support Manager for United Airlines for four years with hands-on troubleshooting and repair development for United's 767 Engines.

Tony joined America West Airlines in 1988 as Senior Director Quality Assurance, Inspection and Airframe and Power Plant Engineering, and two years later became Senior Director Operations Planning having responsibility for on-time Performance, Security, Safety, and Project Management.

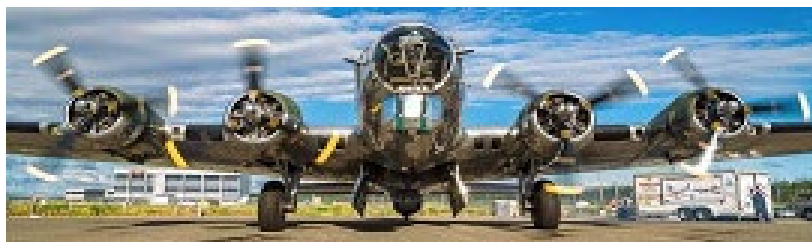

Tony joined United Airlines in 1991 as Director of Maintenance Programs with Responsibility for Maintenance Programs, Project Management, Project Control, Administration, and Technical Documents.

He enjoys music and plays guitar and keyboards. He is a member of the OK Chorale Cowboy Trio for 10 years doing 250 shows statewide.

Since retiring in 2007, Tony has been a professional with the Rotary Club of Fountain Hills, a Volunteer for Junior Achievement at FH High School, Phoenix Sky Harbor Navigator, and he now serves as a Docent for the Airbase Arizona of the Commemorative Air Force Mesa, AZ at Falcon Field.
